Seed and planting material exchange in Dobrich

Author(s): Растителна защита
Date: 03.02.2026 *Issue:* 2/2026

SEASON START: XXXII SEED EXCHANGE IN DOBRICH

From February 4 to 7, 2026, at the SC "Prostor" in the city of Dobrich, one of the most important events for every farmer will take place – the specialized seed and planting stock exchange. The forum is an established event aimed at agricultural producers, amateur gardeners, and all those interested in crop production and related activities.

Within the exhibition, visitors will have the opportunity to familiarize themselves with everything necessary for the upcoming campaign – from seeds for cereal crops to planting material for

vegetable gardens, flowers, and other products for the garden and agriculture.

The event is organized by "Dobrichki Panair" AD and is one of the most established in the country.

In addition to the specialized participants, craftsmen and industrial goods traders have also registered for the forum, which further enriches the profile of the event.

Exhibition working hours:

February 4, 5, and 6, 2026 – from 9:00 AM to 6:00 PM.

February 7, 2026 – from 9:00 AM to 3:00 PM.

The "Seed and Planting Stock Exchange" exhibition provides an opportunity for direct contact between producers, traders, and consumers, as well as for the exchange of experience and best practices in the field of agriculture.
